See how many of the items you and your child can find! Check them off as you hunt and have fun coloring them, too!

**Spend Time Playing Outside!**

ASK YOUR CHILD TO COLOR THIS PAGE!

[holu.org/sb6](https://holu.org/sb6)
**Read to Me**

Grab a blanket and read books outside together.

Use water and a paint brush to write and draw on the sidewalk or driveway.

Talk to your child about how to play outside safely. Ensure children have a safe, vehicle-free area to ride bicycles, block access to pools, lock up your tools, keep grills closed, store lighters and matches out of reach, make sure wells are marked and covered, check outdoor playground equipment regularly, limit playing on hard surfaces, ensure children only do activities that are age appropriate, apply sunscreen with an SPF factor of at least 15, shorten outside play on hot days, teach children to drink plenty of water, and be prepared or insect bites.

---

**Count with Me**

Take a walk and collect rocks along the way. Count how many you collect and sort them by size.

Use sidewalk chalk to write numbers 1-20.

Eat watermelon outside together. Count how many seeds you find.

---

**Talk to Me**

Teach your child about caring for others by helping a neighbor with yard work.

Create a summer bedtime routine (i.e. go to the bathroom, brush teeth, read a book or draw, go to bed at _____ o’clock).

Pack a healthy lunch together and have a picnic at a local park or in your backyard.

---

**THIS MONTH’S BOOKLIST**

- We’re Going on a Picnic by Pat Hutchins
- Be Careful and Stay Safe by Cheri J. Meiners
- One Love by Cedella Marley
- Over and Under the Pond by Kate Messner
- Down by the Cool of the Pool by Tony Mitton
