

Dear First Name,

For more than 100 years, the Heart of Illinois United Way has been bringing the people of central Illinois together to care for one another. Through collaboration with local businesses, nonprofits, government, and labor organizations, our United Way has proven time and again that it is built to support central Illinois, no matter the challenge.

Did you know that 1-in-3 individuals in Peoria, Tazewell, Woodford, Marshall, Stark and Putnam counties utilize United Way funded programs each year? Whether it's a child learning to read, a senior living independently, or a family making healthy choice, your donation to support Heart of Illinois United Way Community Impact Fund is the best way to support central Illinois.

Using data-driven metrics, your donation is leveraged to ensure our community has a solid foundation of education, financial stability, and health programs that remain strong in times of crisis and adapt to meet the greatest needs over time.

As this year's campaign gets underway, we ask you to consider joining our campaign with a donation. We believe change starts by impacting the community we all call home. Thank you for your support!
